

BLOOD CASHIER; LOOTED BANK

Two Robbers Got Off With Neat Sum of \$7,000.

LaSalle, Ill., Nov. 7.—The Farmers' and Miners' Bank of Ladd, a mining town, was held up and robbed Monday afternoon. The assistant cashier, J. J. Hurley, was alone in the bank when two men entered, and asked for some pennies. The next moment, covering Mr. Hurley with revolvers, they ordered him to throw up his hands, and marched him to a back room, where they bound him hand and foot. After taking a quantity of money the men escaped.

The amount of their booty will be about \$7,000, as near as the bank officers were able to estimate the loss at present.

Ladd was thrown into a state of excitement by the daring hold-up. One of the two masked robbers guarded the street door while the other scooped up the cash. Some reports say that the amount stolen is \$20,000. It was mostly in currency.

The robbers had been gone an hour before the robbery was discovered, and the imprisoned bank officer released. The robbers hired a livery rig at Peru to drive to Ladd.

In about three hours they came back and returned the rig to the liveryman, Denny, who, having heard of the hold up, tried to procure the assistance of citizens to surround the robbers in the livery stable, but the robbers drew revolvers and shot at everyone who appeared near the stable.

The robbers finally slipped from the stable and kept up a running fight for an hour, finally escaping in the direction of LaSalle after eluding the Peru police.

G.B. Burhans Testifies After Four Years

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease have disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or bladder trouble." Dr. Pierce's Favorite Prescription

Is a powerful, invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or schoolroom, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription has proven a priceless benefit because of its health-restoring and strength-giving powers.

As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, or St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womanly organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Cures obstinate cases. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of "female weakness," painful periods, irregularities, prolapsus or falling of the pelvic organs, weak back, bearing-down sensations, chronic congestion, inflammation and ulceration.

Dr. Pierce's medicines are made from harmless but efficient medical roots found growing in our American forests. The Indians know of the marvelous curative value of some of these roots and imparted that knowledge to some of the friendlier whites, and gradually some of the more progressive physicians came to test and use them, and ever since they have grown in favor by reason of their superior curative virtues and their safe and harmless qualities.

Your druggists sell the "FAVORITE PRESCRIPTION" and also that famous alterative, blood purifier and stomach tonic, the "GOLDEN MEDICAL DISCOVERY." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician.

Gambler Killed in a Duel.

Reno, Nev., Nov. 7.—In a pistol duel here at the Palace saloon, Ed Ferrell, a gambler, was killed by Charles Kuch, a bartender. Kuch's jealousy over the attentions which Ferrell is alleged to have been paying his wife is said to be the cause of the trouble. Kuch is said to have been looking for Ferrell all day. Both men were prepared for trouble when they met in the saloon, and firing began immediately. Ferrell fell shot through the body by two bullets, and died in a few minutes later in a hospital. Kuch received three wounds, none of which are serious. He is under arrest. Three by-standers received slight wounds.

Made Happy For Life.

Great happiness came into the home of C. Blair, school superintendent at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus's dance, which yielded to no treatment but grew steadily worse, until as a last resort we tried Electric Bitters, and I rejoice to say, three bottles effected a complete cure." Quick, sure cure for nervous complaints, general debility, female weaknesses, impoverished blood and malaria. Guaranteed by all drug stores. Price, 50c.

J., charged with the murder of Alexander Diapolo, was found guilty of manslaughter by the jury Monday night. She was convicted of having shot and killed Diapolo. It was brought out in the trial that Diapolo had squandered all her money. The defense contended that the shooting was accidental. Sentence was deferred.

NOW BELIEVED NEGRO LOCATED

Lynching May Follow Akridge Murder by Ex-Convict.

Camilla, Ga., Nov. 7.—It is rumored that Jet Ricks, the negro who shot John Akridge Saturday night, has been located. There is a great indignation felt over this cold-blooded affair, and it is probable if these rumors are true, Ricks will be lynched. Armed posses have been scouring the country since the affair. The bounds failed at first to get the scent as the negro was traced to a small creek and there the trail lost.

J. L. Palmer, a relative to the wife of Mr. Akridge, has offered a reward of \$250. Ricks is a black negro about 5 feet, 8 inches high, and weighing about 135 pounds. He had just finished his second term in the chain-gang about three weeks ago. Mr. Akridge was buried Sunday afternoon by the Masons from Pelham, Camilla and Sale City. He leaves a wife and three little girl children. A large number of Mr. Akridge's friends are eager to see quick justice administered.

Sells More of Chamberlain's Cough Remedy Than of All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best of results." For sale by all druggists.

Sail for New York.

Andrew Carnegie accompanied by his secretary, went into the federal building late Monday and spent half an hour with United States Commissioner Shields. He refused to discuss his visit. Mr. Shields had made some depositions, but refused to disclose character.

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause consumption, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

One Candidate Dead; Another Dying. Marinette, Wis., Nov. 7.—D. Trotter, Democratic candidate for county treasurer, dropped dead Monday at his home here. R. C. Having, the Republican candidate for the same office, is critically ill.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send for stamps for sample to The Herpicide Co., Detroit, Mich.
